

CURRICULUM VITAE

December 1998

PERSONAL DATA

Name: **Kristen Lawton Barry, Ph.D.**

ADDRESSES

VA Address:

Department of Veterans Affairs, Health Services Research and Development
Serious Mental Illness Treatment Research and Evaluation Center (SMITREC)
PO Box 130170
Ann Arbor, MI 48113-0170
Phone: 734-930-5127
Email: barry@umich.edu

Federal Express Address:

V.A. HSR&D, SMITREC
24 Frank Lloyd Wright Drive
Lobby L, 3rd Floor
Ann Arbor, MI 48106

Home:

1655 Coburn Drive
Ann Arbor, MI 48108
Phone: 734-994-4961

University Address:

University of Michigan Alcohol Research Center
400 E. Eisenhower Parkway, Suite 2A
Ann Arbor, MI 48108-3318

EDUCATION

1962-1965	Sparta High School, Sparta, Wisconsin
1965-1969	University of Wisconsin-LaCrosse, Social Work, B.S.(Honors)
1978-1981	University of Wisconsin-Madison, Child and Family Studies, M.S.
1984-1988	University of Wisconsin-Child and Family Studies, Ph.D.
1988	University of Wisconsin-Institute on Aging: Certificate in Life Span Development
1993	Team Leader Training-Continuous Quality Improvement (CQI)

ACADEMIC APPOINTMENTS/PROFESSIONAL EXPERIENCE

1969-1973	Mendota Mental Health Institute, Social Worker
1981-1984	Midwest Medical Center, Director of Community Education and Counseling
1984-1986	Portman Clinic, Director of Counseling and Education
1986	University of Wisconsin-Parkside; Department of Behavioral Sciences; Adjunct Assistant Professor
1986-1990	University of Wisconsin-Department of Family Medicine, Researcher
1989	University of Wisconsin-Department of Child and Family Studies, Instructor and Lecturer
1990-1993	University of Wisconsin-Department of Family Medicine, Assistant Scientist, Associate Director of Research, Office of Alcohol and Addiction Studies
1993-1996	University of Wisconsin-Department of Family Medicine, Associate Scientist, Associate Director, Office of Alcohol and Addiction Studies
1995-1996	University of Wisconsin-Department of Sociology, Associate Scientist, Mental Health Research Center
1996-present	Department of Veterans Affairs, Health Services Research and Development, Serious Mental Illness Treatment Research and Evaluation Center (SMITREC), Associate Director
1996-present	University of Michigan, Department of Psychiatry, Senior Associate Research Scientist

CONSULTING POSITIONS

1989-1994	Society of Teachers of Family Medicine. Plan, develop, implement, and evaluate a training workshop for family medicine faculty. Evaluation portion of project.
1989-1994	STFM Substance Abuse Working Group. Physician substance abuse prevention kit. Coordinator of 'screening for substance abuse'.
1990	NIAAA Clinical Training Grant. Instrument Subcommittee. Compilation of potential instruments, including physician knowledge and attitude assessments, patient screening questionnaires, audit forms, exit interviews, and diagnostic questionnaires for 20 grant sites.
1990-1992	OSAP Perinatal Demonstration Grant: Perinatal Substance Abuse Prevention Project-Primary Care Working Group. Standardization of instrumentation and research methods.
1991-1995	NIAAA Clinical Training Grant. Instrument Subcommittee. Compilation of instruments, including physician knowledge and attitude assessments, patient screening questionnaires, audit forms, exit interviews for a guide for new teachers. Supported by COSMOS Corporation.

- 1994 Expert panel: Development of screening questions for alcohol and drug use/abuse. Focus group. With Richard Brown, M.D., University of Wisconsin, Department of Family Medicine.
- 1995-1996 Comprehensive Health Enhancement Support System (CHESS). Local Advisory Panel: Module Development-Parents/Partners of Alcohol Abusers.
- 1995 University of Michigan Alcohol Research Center, Ann Arbor, Michigan. Recruitment and methods to set up a clinical trial testing brief alcohol advice with older adults.
- 1996-1997 Michigan Public Health Institute. Recruitment and methods to set up a clinical trial testing brief physician advice with heavy drinkers in primary care settings.
- 1996-1997 University of Wisconsin, Department of Family Medicine. Analysis and paper production for clinical trial to test the effect of brief physician advice with at-risk drinkers. Development of cost-effectiveness models for clinical trial.
- 1998 Center for Substance Abuse Treatment. National Chair, Brief Intervention Treatment Improvement Protocol (TIP).
- 1998 Centers for Disease Control and Prevention. Prenatal Alcohol Intervention Cooperative Agreement Grants.

SCIENTIFIC ACTIVITIES

Journal Reviewer

- 1990-present Journal of Family Practice
1991-present Family Systems Medicine
1992-present Addiction
1992-present Alcohol and Alcoholism
1994-present Journal of Substance Abuse
1995-present Substance Abuse
1997-present Psychiatric Services
1998-present Journal of Studies on Alcohol

GRANT SUPPORT

Recently completed grants:

- National Institute of Alcohol Abuse and Alcoholism. (1990-1994) Multi-site study of primary care sites in Wisconsin, North Carolina, and California. Co-Principal Investigator; \$500,000.

National Institute of Alcohol Abuse and Alcoholism. (1991-1995) A trial of physician treatment of problem drinkers. Co-Principal Investigator; \$1,693,000.

National Institute of Alcohol Abuse and Alcoholism. (1991-1995) A trial of physician treatment of problem drinkers over the age of 65. Co-Principal Investigator; (Supplemental grant) \$600,000.

Dean Foundation. (1993-95) Prevalence of problem drinking in patients over the age of 65. Co-Principal Investigator; \$15,000.

American Academy of Family Physicians Foundation (AAFP/Foundation). (1993-95) Prevalence of problem drinking in patients over the age of 65. Co-Principal Investigator; \$15,000.

Active grants:

2 P50 AA07378	12/01/93-11/30/98	10%
NIAAA	\$77,995	
UM Alcohol Research Center: Brief Intervention Major Component. Co-Principal Investigator.		

CPG-970111	10/01/97-9/30/00	25%
VHA, HSR&D	\$221,700	
Impact of Provider Substance Abuse Education on Guideline Implementation. Co-Investigator.		

11R-98102-1	09/01/98-08/31/00	10%
VHA, HSR&D	\$84,000	
Mental Health Providers' Perception of Quality Indicators. Co-Principal Investigator.		

1R01 AA11629	03/01/98-02/28/03	10%
NIAAA	\$287,967	
Tailored Alcohol Messages in the Emergency Department. Co-Principal Investigator.		

	11/01/98-10/31/00	10%
UMHS FGP	\$449,678	
Prevention, Detection, and Treatment of Substance Abuse and Depression in Childbearing Women: Critical Variables During Pregnancy and Prepregnancy Planning. Co-Investigator.		

Pending grants:

Submitted	05/01/99-04/30/02	25%
VHA, HSR&D	\$496,130	
Smoking Cessation Clinical Trial: Clinic Referral vs. Primary Care Provision. Co-Principal Investigator.		
Submitted	05/01/99-04/30/03	7.5%
VHA, HSR&D	\$192,027	
The Patient-Centered Treatment of Dually Diagnosed Veterans. Co-Investigator.		

HONORS AND AWARDS

1987	Scholarship: William H. Peterson Scholarship, School of Family Resources and Consumer Sciences.
1993	Departmental candidate: Academic Staff Campus-Wide Excellence in Research Award.
1998	Society for Teachers of Family Medicine - <u>Paper of the Year</u> for, Fleming MF, Barry KL , Manwell LB, Johnson K, London R. "Brief physician advice for problem alcohol drinkers: A randomized controlled trial in community-based primary care practices." <u>Journal of the American Medical Association</u> , 1997, 277 (13): 1039-1045, (Editorial pp. 1079-1080).

MEMBERSHIP IN PROFESSIONAL SOCIETIES

1991-1996	Association for Medical Education and Research in Substance Abuse (AMERSA)
1991-1996	Society for Teachers of Family Medicine (STFM)
1992-1996	STFM Substance Abuse Working Group
1992-1996	Research Committee, STFM Substance Abuse Working Group: Chairperson
1995-1996	Wisconsin Institute of Family Medicine (WIFM)
1996-1997	Prevention and Intervention Center for Alcohol and other Drug Abuse, Board of Directors
1995-present	Research Society on Alcoholism (RSA)
1997-present	University of Michigan Substance Abuse Research Center (UMSARC)

TEACHING ACTIVITIES

1986	Behavioral Sciences: Undergraduate course, "Human Development through the Life Span", University of Wisconsin-Parkside.
1988	Family Practice Seminar: "Alcoholism in Primary Care Patients."

- 1988 Family Practice Seminar: "Women and Alcoholism."
- 1989 Child and Family Studies 363: Undergraduate lecture course titled, "Development from Middle Childhood to Old Age", University of Wisconsin-Madison.
- 1989 Family Practice Seminar, First Year Residents: "Substance Abuse Recognition and Diagnosis", University of Wisconsin Medical School.
- 1989 Docs Ought to Care (DOC) Medical Student Program. "Substance abuse and adolescents", University of Wisconsin Medical School.
- 1989-1990 Family Practice Third Year Clerkship: "Recognition and Diagnosis of Substance Abuse".
- 1989-1993 Child and Family Studies 363: Middle Childhood through Old Age, "Issues of substance abuse in adolescence and young adulthood", University of Wisconsin-Madison.
- 1989-1993 Child and Family Studies 363: Middle Childhood through Old Age, "Hormone changes and the aging process", University of Wisconsin-Madison.
- 1990 Sociology: Chronic Mental Illness in Society, "Substance abuse in the chronically mentally ill and the general population: Young adulthood", University of Wisconsin-Madison.
- 1990 Faculty Development Grant: Appleton Family Practice Clinic, "Recognition and Diagnosis of Alcoholism in Primary Care".
- 1990 Community Oriented Integrated Learning (COIL) Program: First Year Medical Students, "Recognition and Diagnosis of Alcoholism in Community Practice".
- 1990 Department of Family Medicine Research Assistantship Program: "Statistical Analysis in Medical Research", University of Wisconsin-Medical School.
- 1990 Project SAEFP (Society for Teachers of Family Medicine): Core faculty for alcohol and drug curriculum, "Minorities, women, and family issues".
- 1990 Social Work: Geriatric Issues, "Substance Abuse in the Elderly".
- 1990 Social Work: Alcoholism, "The Genetics of Alcoholism".
- 1990-1996 Family Practice Seminar: Second and Third Year Residents, "Elements of Substance Abuse Treatment".

- 1990-1996 Family Practice Seminar, First Year Residents: "Interviewing and Brief Interventions with Alcoholic Patients".
- 1991-1992 Department of Family Medicine, Research Division: "Conducting research in primary care settings".
- 1992-1993 Trial for Early Alcohol Treatment (TrEAT) Research Project. Physician intervention workshop. Series of workshops from June 1992-April 1993. Trained 160 physicians, nurses, and physician's assistants.
- 1993-1996 Department of Family Medicine. Summer Medical Student Internship. Series of workshops on research in primary care; mentoring student in an introduction to substance abuse clinical training and research.
- 1993-1994 Department of Preventive Medicine, Substance Abuse Research Series, Topics: Problem prevalence; Clinical trials in alcohol research; Alcohol and health risks.
- 1993-1995 Guiding Older Adult Lifestyles (GOAL) Research Project. Physician intervention workshop. Series of workshops. Training physicians, nurses, and physician's assistants. Supplemental to TrEAT Project.
- 1993-1996 Physician Assistant Program: "Physical changes of aging", University of Wisconsin.
- 1994-1996 Family Practice Seminar: Second and third year residents, "Brief intervention with substance abuse".
- 1994-1996 Physicians Assistant Program: "Demographic and psychosocial aspects of aging", University of Wisconsin.
- 1994 "Ways of Knowing: Medicine and Society". Undergraduate course sponsored by the Medical School. Discussion group leader for topics on primary care medicine, aging, racism in medicine, health care reform, prevention, and epidemiology.
- 1994-1996 Objective Structured Clinical Exams (OSCE): Third Year medical students' exams using standardized patients for alcohol and drug content and interviewing. Semester basis.
- 1995 Summer Institute for Alcohol and Drug Research and Prevention Education: "Research on brief intervention", with an emphasis on conducting interventions, older adults, and human subjects issues.
- 1995 Physician Assistant Program: "Case studies and discussion in AODA and psychiatric issues in primary care".

- 1996 Physician Assistant Program Series: "Reading the Medical Literature", "Statistics and Research Methods".
- 1996-1997 University of Michigan Alcohol Research Center, Repeated seminar: "Alcohol and Older Adults".
- 1997-1998 University of Michigan Alcohol Research Center: Repeated seminar series, "Brief alcohol interventions in primary care".
- 1998 University of Michigan Department of Psychiatry: Third Year Residents, "Brief alcohol intervention in the psychiatric setting".
- 1998 University of Michigan Alcohol Research Center: Repeated seminar series:, "Alcohol Screening and Assessment".

PEER REVIEWED PRESENTATIONS

- Society for Teachers of Family Medicine, May 3, 1989: "Risk of Fetal Alcohol Syndrome: Drinking Patterns in a Prenatal Primary Care Sample"; peer paper.
- Society for Teachers of Family Medicine - Regional Conference, October, 1989: "Alcohol and Drug Use in Prenatal Patients"; peer paper.
- Society for Teachers of Family Medicine - The Family in Family Medicine Conference, March 3, 1990: "Family cohesion, expressiveness, and conflict in alcoholic families"; peer session, Amelia Island, FL.
- Society for Teachers of Family Medicine - The Family in Family Medicine Conference, March 8, 1991: "Alcoholism, family, and social functioning in chronically mentally ill outpatients"; research seminar, Amelia Island, FL.
- Society for Teachers of Family Medicine - Annual Conference, May 8, 1991: "Alcohol and drug dependence in chronically mentally ill clients in a rural community"; research seminar, Philadelphia, PA.
- Association for Medical Education and Research in Substance Abuse (AMERSA) - Annual Conference, November 15, 1991. "Physician detection of alcohol, nicotine, and other drug use"; poster session, with Schmidt, A. and Fleming, M.
- National Institute of Mental Health - Classification of Disorders in Primary Care Conference, September 21, 1991. "The Alcohol Use Disorders Identification Test (AUDIT) in a rural primary care sample"; poster session.

Society for Teachers of Family Medicine - Annual Conference, April 29, 1992: "A comparison of the Alcohol Use Disorders Identification Test (AUDIT) to the SMAST-13 in a primary care sample"; peer session, St. Louis, MO.

CSAP Faculty Development Training Grant Project - Annual Conference, NIAAA Clinical Training Grant, May 26, 1993: "Multi-site Study. Three year study of primary care sites in Wisconsin, North Carolina, and California"; research session, Hilton Head, NC.

Society for Teachers of Family Medicine - Annual Conference, May 1, 1994. "New trends in alcohol research in primary care". Discussant for alcohol-related papers; research session, Atlanta, GA.

Research Society on Alcoholism - Annual Conference, June 20, 1994. "Trial for Early Alcohol Treatment (TrEAT) Project"; poster session, Kaanapali Beach, Maui, HI, with Michael Fleming, M.D., M.P.H., Department of Family Medicine.

Research Society on Alcoholism - Annual Conference, June 21, 1994: "Severe mental illness and substance abuse in rural areas: Prevalence and client characteristics"; poster session, Kaanapali Beach, Maui, HI, with Michael Fleming, M.D., M.P.H., Department of Family Medicine.

Association for Medical Education and Research in Substance Abuse (AMERSA) - Annual Conference, November 20, 1994. "Substance abuse among rural clients with severe mental illness"; peer paper, Bethesda, MD.

Research Society on Alcoholism - Annual Conference, June 18, 1995: "Alcohol Screening"; Symposium Chair, Steamboat Springs, CO, with Michael Fleming, M.D., M.P.H., Department of Family Medicine, John Allen, Ph.D., NIAAA, and Ray Litten, Ph.D., NIAAA.

American Public Health Association - Annual Conference, October 30, 1995: "The Efficacy of Brief Physician Advice with Problem Drinkers: Results of the First Large Clinical Trial in Community-Based Primary Care Settings"; San Diego, CA.

Society for Teachers of Family Medicine - Annual Conference, April 28, 1996: "Brief Physician Intervention in Primary Care Setting: Report on Project TrEAT"; San Francisco, CA.

American Psychiatric Association - Annual Meeting, October 21, 1996: "Effectiveness of specialized treatment programs for seriously mentally ill veterans"; Chicago, IL, with Frederic Blow, PhD, Esther Ullman, MSW, Bonnie Boots Miller, PhD, Gregory Dalack, MD, Department of Veterans Affairs, Serious Mental Illness Treatment Research and Evaluation Center (SMI-TREC).

Health Services Research and Development - Annual Meeting, February 13, 1997: "Longitudinal outcomes of veterans with co-occurring serious mental illnesses and substance abuse disorders"; paper presentation, Washington, DC, with Frederic Blow, PhD, Laurel Copeland, MPH, Esther Ullman, MSW, Department of Veterans Affairs, Serious Mental Illness Treatment Research and Evaluation Center (SMITREC).

Health Services Research and Development - Annual Meeting, February 13, 1997: "Longitudinal assessment of functioning and service use of older seriously mentally ill veterans"; poster presentation, Washington, DC, with Frederic Blow, PhD, Laurel Copeland, MPH, Esther Ullman, MSW, Department of Veterans Affairs, Serious Mental Illness Treatment Research and Evaluation Center (SMITREC).

Research Society on Alcoholism - Annual Conference, July 20, 1997: "Comparison of Physical and Mental Health Functioning among Middle-Aged and Older Hazardous Drinkers"; San Francisco, CA, with F.C. Blow.

Research Society on Alcoholism - Annual Conference, June 21, 1998: "Elder-Specific Brief Intervention: 3-month Outcomes"; Hilton Head, SC, with F.C. Blow, M.A. Walton, S.T. Chermack, S.A. Mudd, J.C. Coyne, & E.S.L. Gomburg.

American Psychiatric Association, June, 1998: "Psychiatric diagnosis and treatment in older and younger primary care patients: does a screening and diagnostic instrument close the gap?"; Toronto, Ontario, Canada, with Valenstein M, Kales H, Mellow A, Dalack G, Figueroa S, Barry K, Blow F.

American Psychiatric Association, June 1998: "Medication Compliance: Do Seriously Mentally Ill Patients and Their Clinicians Agree?"; Toronto, Ontario, Canada, with M. Valenstein, lead author.

American Psychiatric Association, June 1998: "Collaborative Care of Depressed Patients in the Community: Current Clinical Practices, Attitudes, and Barriers to Implementation."; Toronto, Ontario, Canada, with Valenstein M; Barry K; Blow F; Copeland L; Ullman, E. Valenstein M., Klinkman M., Becker S, Blow F; Barry K; Sattar A, & Hill E.

EXTRAMURAL INVITED PRESENTATIONS

A gender specific approach to dependence and co-dependence. Keynote address to a statewide conference titled "How Chemicals Affect Women", Sheboygan, WI, January, 1988.

Association for Medical Education and Research in Substance Abuse: November 17, 1988: "The association between poor health and problem drinking in a primary care setting".

Substance Abuse Intervention Training Program: May 15, 1990. Taught intervention protocol to selected physicians in Wisconsin Research Network (WReN) for family physicians.

Dane County Consumer/Provider Advisory Group for Mental Health Care. May 22, 1990: "Research in the area of substance abuse and the chronically mentally ill".

Outagamie County Department of Human Services. January 10, 1991: "Substance Abuse and the Chronically Mentally Ill Outpatients in Outagamie County".

NIAAA: Clinical Training Grant Technical Assistance Workshop. February 24-26, 1991. Chair, "Evaluation Instruments: Designing, Selecting, and Sharing".

Osler Institute. "Substance abuse for primary care practitioners". July 5, 1991. Recertification course for family physicians. Chicago, IL.

Wisconsin Research Network (WReN) Annual Meeting, November 2, 1991. Moderator, "Special session for WReN site coordinators: Primary care research".

University of Nevada-Reno, June 15, 1992. "Conducting prevalence studies in primary care settings". Faculty Fellow's Seminar.

Association for Medical Education and Research in Substance Abuse (AMERSA) 1992 National Conference, November 12, 1992. Preconference Workshop: "Developing Research Projects in Substance Abuse". With Michael Klitzner, Ph.D., Pacific Institute, Washington, D.C.

Wisconsin Research Network (WReN) Annual Meeting, November 13-14, 1992. Co-facilitator, "Funding Your Research Ideas Workshop". With Paul Nutting, M.D., ASPEN research group.

Wisconsin Research Network (WReN) Annual Meeting, November 13-14, 1992, "Physician Treatment of Problem Drinking".

Wisconsin Addictions Research Conference. Milwaukee, WI; September 23, 1993. "The Trial for Early Alcohol Treatment (TrEAT) Project".

AMERSA Pre-Conference Workshop, Bethesda, MD, November 18, 1993. Co-facilitator. "Measuring Knowledge, Attitudes, and Skills in Chemical Dependency Education". With Janet Williams, M.D., University of Texas-San Antonio and Tracy Veach, Ed.D., University of Nevada-Reno.

Department of Health and Human Issues and Bureau of Substance Abuse Services conference: Prevention-Paradigms to Programs, Milwaukee, WI. December 6-7, 1993. "Substance Abuse in the Elderly: General Issues and GOAL Project".

Healthy People 2000 CME Conference, Appleton, WI. April 6, 1994. "Successful strategies for screening for alcohol problems in primary care settings".

Physician Assistant Conference, Lake Geneva, WI. April 14, 1994. "Early identification and initial management of patients with alcohol and drug problems in the primary care setting". With Richard Brown, M.D., Department of Family Medicine.

Council on Alcohol and Drugs-Washington County, West Bend, WI. July 14, 1994. "Substance Abuse in the Elderly: General Issues and GOAL Project".

Health and Human Issues Workshop Series. "Sobriety and seniors: Prevention of alcohol and other drug abuse problems among older adults". July 21, September 13, October 19, 1994. With Narra Smith Cox, Ph.D., Department of Health and Human Issues.

Wisconsin Aging Network Training. Food for Thought Workshop. November 2, 1994. "Alcohol abuse: When older people drink too much". Oshkosh, WI.

Case Manager Workshop. November 11, 1994. "Alcohol problems in older adulthood". Memorial Union, University of Wisconsin, Madison, WI.

Beloit Memorial Hospital- CME Program. December 14, 1994. "The effectiveness of brief advice with at-risk drinkers". Beloit, WI.

Devine Savior Hospital-CME Program. January 16, 1995. "Alcohol and health risks". Portage, WI.

First Baptist Church Senior Center. January 19, 1995. "Alcohol and health for seniors". Madison, WI.

Dodge County Social Services. May 15, 1995. "Alcohol problems in older adulthood". One-half day workshop for social workers, nutritionists, AODA counselors, and peer counselors. Juneau, WI.

AgeAdvantage. Mental Health Issues and the Older Adult. June 8, 1995: "Alcohol and other drug problems in older adults", Radisson Inn, Madison, WI.

Milestone Project of Washington County. "Alcohol and the older adult". September 12, 1995. Cedar Ridge Retirement Apartments, West Bend, WI.

Bureau of Substance Abuse Services, Bureau on Aging, Southeastern Wisconsin Area Agency on Aging. "Alcohol and drug use in older adults". September 27, 1995. Section of one-day workshop titled, "Creating a Continuum of Care: Alcoholism and/or Other Drug Abuse and the Nutrition Connection with Older Adults, Milwaukee, WI.

Door County Social Services. October 13, 1995. "Sobriety and seniors". One-day workshop to social workers, physicians, and other health care providers. Sturgeon Bay, WI.

Knowledge Exchange Seminar: University of Illinois Mental Health Research Center. November 4, 1995. "Prevalence, Services, and Characteristics of Severely Mentally Ill Clients with AODA problems". Chicago, IL.

Health and Human Issues Workshop Series. "Sobriety and seniors: Prevention of alcohol and other drug abuse problems among older adults". November 30, December 5, 1995. With Narra Smith Cox, Ph.D., Department of Health and Human Issues.

Fighting Back. December 6, 1995. "Alcohol abuse among the elderly". Section of one-day workshop titled: The Forgotten Population: Substance Abuse Among the Elderly.

New Approaches in the Treatment of Addictive Disorders. March 8, 1996. Brief interventions in primary care. CME class, Minneapolis, MN.

Devine Savior Hospital-CME Program. March 18, 1996. Alcohol addiction behavior. Portage, WI.

University of Michigan Department of Psychiatry - Silverman Conference. May 28, 1997. The effectiveness of brief interventions in primary care settings: Results of a randomized clinical trial. Ann Arbor, MI

Health Services Research and Development, Department of Veterans Affairs. June 10, 1997. The effectiveness of brief interventions in primary care settings: Results of a randomized clinical trial. Ann Arbor, MI

Oakwood Hospital. June 18, 1997. The effectiveness of brief physician advice with at-risk drinkers in primary care settings: training session. CME credits, Deerborn, MI.

UM-Department of Family Medicine. September 15, 1997. The effectiveness of brief physician advice with at-risk drinkers in primary care settings. Grand Rounds.

Fetal Alcohol Syndrome Conference. September 26, 1997. The effectiveness of brief physician advice with at-risk drinking women of child bearing age. Workshop, Breckenridge, CO.

Michigan State University. Developmental seminar series. October 7, 1997. The effectiveness of brief physician advice with at-risk drinkers in primary care settings. East Lansing, MI.

University of Michigan Department of Internal Medicine. November 4, 1997. The effectiveness of brief physician advice with at-risk drinkers in primary care settings. Grand Rounds.

COMMITTEES AND ADMINISTRATIVE SERVICE

- 1988-1992 Belleville Community Improvement Project (BCHIP), Belleville, Wisconsin -- community oriented primary care project: Representative of Department of Family Medicine Research Division.
- 1993-1994 UW-Department of Family Medicine Merit Review Committee: academic staff representative.
- 1993-1994 UW-Department of Family Medicine Personnel Quality Improvement Project.
- 1993-1996 UW-Department of Family Medicine Quality Improvement Committee.
- 1994-1996 Mental Health Research Center: Research Committee. Representative of Office of Alcohol and Addiction Studies.
- 1995 UW-Department of Family Medicine: Women's Health Network/Curriculum Working Group.
- 1995-1996 UW-Department of Family Medicine Academic Staff Mentoring Committee: Co-chair.
- 1998 University of Michigan Department of Psychiatry. Disease Management Team for Substance Abuse.
